## **Give Up The Ghost** Brent Filer

Nick works at a suicide prevention line, not the big one that helps people with real problems, he fields calls from “fakers” calling from his local community. Only wanting to not feel so alone in the world, Nick is looking for a glimmer of optimism in his life.

Enter Hope. She is the perfect woman for Nick. The only problem is, she wants to die, at a specific date, time, and place.

Nick, his surgically enhanced boss, and his nymphomaniac desk mate embark of a road trip to stop Hope from going through with the last decision she will ever make.

Give up the Ghost is the first Novel from Brent Filer. He has been published in Heater Magazine and his short stories can be enjoyed at [www.brentfiler.com](http://www.brentfiler.com) Brent is currently working on his second novel. He lives in central Pennsylvania.

### From reader reviews:

#### **Louise Lewis:**

Book is definitely written, printed, or highlighted for everything. You can learn everything you want by a guide. Book has a different type. As you may know that book is important point to bring us around the world. Alongside that you can your reading expertise was fluently. A publication Give Up The Ghost will make you to be smarter. You can feel considerably more confidence if you can know about every little thing. But some of you think that open or reading any book make you bored. It isn't make you fun. Why they could be thought like that? Have you searching for best book or acceptable book with you?

#### **Robert Music:**

Here thing why this particular Give Up The Ghost are different and reputable to be yours. First of all studying a book is good but it depends in the content of it which is the content is as yummy as food or not. Give Up The Ghost giving you information deeper and in different ways, you can find any e-book out there but there is no publication that similar with Give Up The Ghost. It gives you thrill reading journey, its open up your eyes about the thing that will happened in the world which is might be can be happened around you. You can actually bring everywhere like in park your car, café, or even in your method home by train. When you are having difficulties in bringing the paper book maybe the form of Give Up The Ghost in e-book can be your alternate.

#### **Lynn Gallagher:**

A lot of people always spent all their free time to vacation or go to the outside with them family members or their friend. Are you aware? Many a lot of people spent these people free time just watching TV, as well as playing video games all day long. If you would like try to find a new activity here is look different you can read any book. It is really fun to suit your needs. If you enjoy the book that you read you can spent the entire day to reading a book. The book Give Up The Ghost it is quite good to read. There are a lot of individuals who recommended this book. These were enjoying reading this book. In case you did not have enough space bringing this book you can buy the e-book. You can m0ore quickly to read this book out of your smart phone. The price is not too expensive but this book offers high quality.

#### **William Holmes:**

This Give Up The Ghost is great e-book for you because the content and that is full of information for you who all always deal with world and still have to make decision every minute. This book reveal it information accurately using great manage word or we can say no rambling sentences in it. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only will give you straight forward sentences but hard core information with splendid delivering sentences. Having Give Up The Ghost in your hand like having the world in your arm, details in it is not ridiculous 1. We can say that no publication that offer you world throughout ten or fifteen small right but this publication already do that. So , this is good reading book. Heya Mr. and Mrs. hectic do you still doubt that will?
