If you were the only fish in your pond with a big dream, would you be lonely and give up? Or would you keep going for it?

Oralee was just another gold Koi fish when she was born. Koi are colorful and beautiful to look at. But they live to eat. They swim just enough to get from one meal to the next.

Oralee's dream to jump out of the water and swim free in the river was no ordinary Koi dream.

She was no ordinary Koi fish. *I Am Possible: Oralee's Story* tells the tale of a Koi fish who wanted the excitement of jumping and swimming freely in Japan's Toyohira River more than anything else.

When a dream seems to be all you have, nothing matters more than seeing it come true.

Be careful what you wish for because you just might get it.
