JL Tate, Texas Ranger Lou Bradshaw

The last time we saw JL Tate aka “Tater”, he was bidding his friends Ben and Patty Anne Blue goodbye to become a Texas Ranger. A short time later we find him up to his chin in the embrace of a lovely lady outlaw. He’s able to get himself untangle, only to come face to face with nearly a half ton of stolen Civil War gold, which the great State of Texas has placed a claim on.

JL and his Ranger partner, Spade Carson, become involved with the gang seeking to recover the gold and a rival gang seeking to take it, by whatever means necessary. A sweet young lass is right in the middle of the fray, and Tate is of course, in no way immune to the charms of Eve.

From Odessa to El Paso, there is no safety for Tate and Carson. Ambushes, night raids, and lust for the yellow gold, keep the two Rangers living on the raw gritty edge. But they must keep going forward because there’s no going back.
