The Dream Codex Mary Summer Rain

In the twenty-eighth literary work from this spiritually insightful author, Mary Summer Rain unveils the long-elusive foundational coding of dreams. Known for her deeply inspiring philosophical writings she now brightly illuminates the hidden passageway leading through dreams to enlightened transformation. In her typically concise manner, the author has richly enhanced her former dream interpretations and expanded them to comprise an impressive 22,000 symbol dictionary. Now, by clearly de-mystifying the twenty-two elemental Dream Source Codes that comprise the groundwork on which all symbols are built, seekers will suddenly discover they are gifted with an instinctual understanding of each dream's meaningful essence.
