Divorce attorney Harper James can't catch a break. Bad enough that she runs into her ex-hubby, Nick, at her sister's destination wedding, but now, by a cruel twist of fate, she's being forced to make a cross-country road trip with him. And her almost-fiancé back at home is *not* likely to be sympathetic.

Harper can't help that Nick has come blazing back into her life in all of his frustratingly appealing, gorgeous architect glory. But in Nick's eyes, Harper's always been the one. If they can only get it right this time, forever might be waiting—just around the bend.

You are therefore out of date, spending your extra time by reading in this brand-new era is common not a geek activity. So what these books have than the others?

Kenneth Quisenberry:

As a pupil exactly feel bored in order to reading. If their teacher inquired them to go to the library as well as to make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their passion. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this My One and Only (Hqn Romance) can make you sense more interested to read.
