Sleeping Where I Fall: A Chronicle Peter Coyote

Sleeping Where I Fall pays honest tribute to the spiritual search of a generation that had become morally estranged from the dominant culture, a generation that transformed the politics--then the heart and soul--of America.. Peter Coyotes compelling memoir traces the anarchic West Coast counterculture of the sixties and seventies through the political street theater of the San Francisco Mime Troupe, the revolutionary economic theories of the Diggers, and the chaotic encampments of the extended Free Family of hippies and activists. Coyote offers blunt, affectionate, and often comic portraits of friends, lovers, and fellow travelers--all hell-bent on redefining what was morally permissible. Sleeping Where I Fall pays honest tribute to the spiritual search of a generation that had become morally estranged from the dominant culture, a generation that transformed the politics--then the heart and soul--of America. In this heartfelt and intelligent memoir, actor Peter Coyote relives his fifteen-year ride through the heart of the counterculture--a journey that took him from the quiet rooms of privilege as the son of an East Coast stockbroker to the riotous life of the political street theater in San Francisco. Chronicling the revolutionary economic theories of the Diggers, and the chaotic encampments of the extended Free Family of hippies and activists, Coyote offers blunt, affectionate, and often comic portraits of friends, lovers, and fellow travelers. All hell-bent on redefining the morally permissible, these were people forging a new image of personal freedom, people whose ideals were tested by the extremities of communal living. Coyote recalls the world of the Haight-Ashbury, of communes named The Red House, Olema, and Black Bear Ranch, and of life on the road with a nomadic clan called the Gypsy Truckers. In prose that is graphic and unsentimental, Coyote also reveals the corrosive side of love that was once called free, the terror evoked by bikers who came on late-night visits looking for drugs, and Coyotes own quest for the next high. Coyotes road through revolution taught him to be a player and a strategist: he began as a radical communitarian and became chairman of the California Arts Council; he apprenticed in improvisational street theater and became a motion-picture star working with directors from Steven Spielberg and Barry Levinson to Pedro Almodvar and Roman Polanski. This memoir is his attempt to understand the road he forged, and the distance between the extremes in a spectacular life.

From reader reviews:

Matthew Siller:

Reading a publication can be one of a lot of action that everyone in the world likes. Do you like reading book and so. There are a lot of reasons why people like it. First reading a guide will give you a lot of new data. When you read a publication you will get new information simply because book is one of a number of ways to share the information or perhaps their idea. Second, studying a book will make anyone more imaginative. When you reading a book especially fiction book the author will bring you to definitely imagine the story how the character types do it anything. Third, you could share your knowledge to others. When you read this Sleeping Where I Fall: A Chronicle, you could tells your family, friends as well as soon about yours guide. Your knowledge can inspire the mediocre, make them reading a e-book.

Earl Goodman:

Playing with family in the park, coming to see the sea world or hanging out with pals is thing that usually you have done when you have spare time, in that case why you don't try issue that really opposite from that. I activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Sleeping Where I Fall: A Chronicle, you could enjoy both. It is very good combination right, you still need to miss it? What kind of hangout type is it? Oh come on its mind hangout men. What? Still don't understand it, oh come on its known as reading friends.

Allan Nguyen:

Many people spending their period by playing outside along with friends, fun activity along with family or just watching TV all day long. You can have new activity to enjoy your whole day by studying a book. Ugh, do you consider reading a book will surely hard because you have to bring the book everywhere? It ok you can have the e-book, delivering everywhere you want in your Touch screen phone. Like Sleeping Where I Fall: A Chronicle which is getting the e-book version. So , try out this book?
