Formed in 2001, the College of Commercial Arbitrators is a nonprofit organization composed of prominent, experienced commercial arbitrators who believe that a national association of commercial arbitrators can provide a meaningful contribution to the profession, to the public, and to the businesses and lawyers who depend on arbitration as a primary means of dispute resolution. Its mission includes promoting professionalism and high ethical standards in commercial arbitration, adopting and maintaining standards of conduct, providing peer training and professional development, and developing and publishing “best practices” materials. The present work is the College’s principal vehicle for fulfilling several aspects of its mission. Many seasoned and knowledgeable practitioners generously contributed their time and insights to the creation of this Guide.
