Julie Kenner

The Manolo Matrix Julie Kenner

USA Today bestselling author of *The Givenchy Code* Julie Kenner reloads for her second novel of high-heeled thrills as another woman gets pulled into a mysterious world of extreme gaming where she must play or die.

Aspiring actress Jennifer Crane knows all about games -- the games girls play to get a guy; the games actresses play to land a part; and the good old game of credit-card roulette. (How else is a girl supposed to afford her shoes?) But she never expected to be playing a game with life-or-death consequences. Unable to successfully score an acting gig, she has, instead, been cast in the role of reluctant bodyguard to a real-life assassin's target -- a dashing FBI agent of all people! -- and must embark with him upon a scavenger hunt across Manhattan in search of the ultimate prize: survival. Before this, Jenn's definition of fighting dirty has been elbowing her way to the front of the line at a Manolo sample sale. Now, if she wants to stay alive, she's going to have to learn a few new uses for her stilettos. . . and they ain't pretty.

Fast, flirty, and full of great footwear, *The Manolo Matrix* is another electrifying adventure in this breakout series for fashionistas who love a perfectly appointed mystery.
