The Reality of Perception Jason M Webb

Perception is reality to the beholder; but it doesn't make reality. This book addresses how our perceptions affect many different areas of our lives for example: depression, happiness, anxiety, anger, relationships, success, and personality disorders. It will help you understand how to change your life by changing your perception. Many of us are making life a lot harder than it needs to be simply by our thought process. This book is filled with teachings and examples from real life that make the reading enjoyable.
