## **Tori Amos: In the Studio** Jake Brown

Featuring exclusive interviews with people who worked alongside Tori Amos in the studio – one of her producers, sound engineers, and backing band members – as well as in-depth research into the singer herself, *Tori Amos: In the Studio* explores this groundbreaking artist's career album by album. From a child prodigy pianist to her first band, her breakthrough album as a solo artist to her prolific years of recording and touring, Tori Amos has refused to play by the rules of the recording industry and instead fearlessly forged her own path and musical identity. Amos achieved note early in her career by being one of the few alternative rock performers to use a piano for a primary instrument. Known for her emotionally intense songs that cover a wide range of subjects including sexuality, religion, and personal tragedy, Amos has sold over 12 million albums worldwide, and seven of her studio albums have debuted in the top ten on Billboard's Top 200 chart. In this book, Jake Brown goes behind the music to reveal Tori Amos's artistic process of creating 11 studio albums — from *Little Earthquakes* to *Midwinter Graces* — beloved by her devoted fan base and praised by music critics. This is the third title in ECW's *In the Studio* series by music journalist Jake Brown. Other subjects of the series include Heart and producer Rick Rubin.

### From reader reviews:

#### **Jeffrey Smith:**

Nowadays reading books be a little more than want or need but also work as a life style. This reading routine give you lot of advantages. The huge benefits you got of course the knowledge your information inside the book that will improve your knowledge and information. The information you get based on what kind of guide you read, if you want attract knowledge just go with education books but if you want really feel happy read one along with theme for entertaining such as comic or novel. The actual **Tori Amos: In the Studio** is kind of reserve which is giving the reader unstable experience.

#### **Joseph Cash:**

Many people spending their time frame by playing outside together with friends, fun activity with family or just watching TV 24 hours a day. You can have new activity to spend your whole day by reading through a book. Ugh, do you think reading a book can really hard because you have to bring the book everywhere? It fine you can have the e-book, bringing everywhere you want in your Smart phone. Like **Tori Amos: In the Studio** which is getting the e-book version. So , why not try out this book? Let's notice.

#### **Calvin Lee:**

As a scholar exactly feel bored to help reading. If their teacher expected them to go to the library or even make summary for some guide, they are complained. Just very little students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that studying is not important, boring and also can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this **Tori Amos: In the Studio** can make you truly feel more interested to read.

#### **Floy Knowles:**

Guide is one of source of knowledge. We can add our information from it. Not only for students but native or citizen need book to know the revise information of year in order to year. As we know those guides have many advantages. Beside most of us add our knowledge, can bring us to around the world. From the book **Tori Amos: In the Studio** we can consider more advantage. Don't you to definitely be creative people? To get creative person must love to read a book. Just simply choose the best book that suited with your aim. Don't possibly be doubt to change your life at this book **Tori Amos: In the Studio**. You can more attractive than now.
