Brandt Davis loved being part of his werewolf pack, until they found his stash of gay porn. He escaped their anger, running in wolf-form into the wilderness, but he can't live that way forever. And he can't hide in fur like a coward when an injured man needs his help.

Ethan Sjulstad knows life is making him crazy when a solo hike into the Boundary Waters seems reasonable. Then a bad fall leaves him injured and facing death. Delirious, he hallucinates being rescued by a big grey wolf and a naked woodland godling. For a man who has always loved fantasy, it's worth surviving just to find out what the hell is going on.
