## **Alexander the Great** Robin Lane Fox

From award-winning historian Robin Lane Fox, Alexander the Great searches through the mass of conflicting evidence and legend to focus on Alexander as a man of his own time. Tough, resolute, fearless, Alexander was a born warrior and ruler of passionate ambition who understood the intense adventure of conquest and of the unknown. When he died in 323 BC aged thirty-two, his vast empire comprised more than two million square miles, spanning from Greece to India. His achievements were unparalleled - he had excelled as leader to his men, founded eighteen new cities and stamped the face of Greek culture on the ancient East. The myth he created is as potent today as it was in the ancient world. Combining historical scholarship and acute psychological insight, Alexander the Great brings this colossal figure vividly to life. 'So enjoyable and well-written ... Fox's book became my main guide through Alexander's amazing story'

Oliver Stone, director of Alexander 'I do not know which to admire most, his vast erudition or his imaginative grasp of so remote and complicated a period and such a complex personality'

Cyril Connolly, Sunday Times 'An achievement of Alexandrian proportions'

New Statesman Robin Lane Fox was the main historical advisor to Oliver Stone on his film Alexander, and took part in many of its most dramatic re-enactments. His books include The Classical World: An Epic History of Greece and Rome, The Unauthorised Version: Truth and Fiction in the Bible, Travelling Heroes: Greeks and their Myths in the Epic Age of Homer and Pagans and Christians in the Mediterranean World from the Second Century AD to the Conversion of Constantine.

#### **David Manning:**

This Alexander the Great is brand-new way for you who has fascination to look for some information because it relief your hunger of information. Getting deeper you in it getting knowledge more you know or else you who still having little digest in reading this Alexander the Great can be the light food for yourself because the information inside this book is easy to get by simply anyone. These books develop itself in the form that is reachable by anyone, yeah I mean in the e-book form. People who think that in e-book form make them feel drowsy even dizzy this guide is the answer. So there is not any in reading a book especially this one. You can find what you are looking for. It should be here for you actually. So , don't miss it! Just read this e-book variety for your better life and knowledge.

#### **Wesley Baker:**

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just minor students that has reading's heart and soul or real their pastime. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading through is not important, boring along with can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Alexander the Great can make you truly feel more interested to read.
