Conversations with the Womb Giuditta Tornetta

"Warning: this book is Not a new-age self-help softy. Perhaps it's the subject that initially enchanted me. I personally wish I had thought of having a Conversation with My Womb! Giuditta Tornetta did think of it, and she rendered her trailblazing idea into a book that is at once practical, and a wildly esoteric page-turner. " -Midwife Robin Lim, 2011 Cnn Hero, International Alexander Langer Award Recipient. "Conversations with the Womb is a guide back to yourself. It is time for this material to inspire and influence today's woman." -Kelly Brogan Md, Holistic Women's Health.

"Conversations with the Womb is a treasure. A perfect way to connect with the profound wisdom we all carry inside." -Christiane Northrup, M.D., ob/gyn physician and author of the New York Times bestsellers: Women's Bodies, Women's Wisdom and The Wisdom of Menopause.

Often referred to as the well-spring of creation, the womb is the epicenter of a woman's relationship to the divine. Conversations With the Womb is a provocative rediscovery of ancient feminine power. Using the Nine Chakras of Creation as a road map to transforming one's personal history, women are encouraged to begin a profound and ongoing conversation with their most primal organ. Unburdened by their histories the immense creative force within the womb can be harnessed to manifest our heart's desire.
