It's no secret kids love to dance, and the quirky kids and animals in this book find inspiration everywhere. How can you dance if you're lying on the floor? Dance like a snake as it slithers to explore. How can you dance when you're mad as a bee? Dance around, around, around-wildly. Each page also includes a second verse kids can chant as they jump out of their seats to dance.

This energetic celebration of movement will encourage kids to boogie through any mood.
