The Scientifically Proven Reality of Life After Death Russell Symonds

Discover Astonishing Facts About the Afterlife! There Is a Reality Beyond Death More Beautiful Than You Ever Imagined!

Is there life after death? How can one be certain there is an afterlife? Why does mainstream academic science continue to reject the afterlife? Is there any real scientific proof or evidence that there is life after death? If so, what is the afterlife really like?

The truth is far stranger and more immense than fiction...

You are about to embark on a remarkable journey into the afterlife! What do the most reliable mystics, yogis and mediums say regarding the afterlife? You will learn far more about the perfectly natural and absolutely beautiful realms of life after death than most people ever do in a lifetime. This information is as scientifically verified and complete as I can possibly make it.

It is urgent you know all you can regarding the afterlife otherwise ignoring Spirit and remaining materialistically closed minded could have negative consequences after one passes over. To avoid much confusion and bewilderment after one makes the transition called "death" one needs to study this information!

One who acts in ignorance of the oneness, unity and eternal nature of spiritual existence is prone to make terrible mistakes while still alive on Earth and will be held accountable in the afterlife. This eBook should change one's perspective dramatically to realizing just how and why it is essential to not only understand there is life after death, but there are consequences for all one's actions, intentions and level of spirituality.

This information packed eBook contains over 100 pages of phenomenal and vivid astral world experiences, knowledge and insights based on the information given by the Leslie Flint paranormal voice recordings, Paramhansa Yogananda, my own experiences, and many other highly reliable and respected afterlife information sources.

The following subjects will be covered:
