From the author of the bestselling *The Bag Making Bible* comes an outstanding collection of 12 inspiring bags for you to make at home.

Lisa Lam of U-Handbag.com brings you a stunning collection of sewing patterns to make your own bags. The book features 12 brand new bag designs with full photographic instructions for how to make a bag with truly professional results. The book features full-size patterns on three separate pull-out sheets so that you can get started right away – no photocopying or enlarging required.

The book opens with Lisa's in-depth advice on all the aspects needed to get started, from the tools and equipment you need, to understanding and interpreting patterns, to choosing, preparing and cutting fabrics. A comprehensive Techniques section explains some core bag-making techniques such as how to insert a zip pocket, how to use magnetic snap closures, how to sew bag straps and handles including adjustable straps, and how to bind edges and use piping for a truly professional finish. There is also guidance on how to insert a lining to your bag. All the techniques are fully explained with easy to follow photographs, so you'll be creating professional, practical and great-looking bags before you know it!

The 12 projects that follow range in complexity. If you're new to sewing and bag making there are beginner bag projects such as the Compact Groceries Tote, All-Sorted Laundry Bag and Access-All-Areas Pouch to get you started before progressing to the more fully featured bags such as the Too-Cool-for-School Satchel and the 3-in-1 Convertible Backpack. You can make your own iPad case, sew a child's backpack, create a pretty purse using a metal purse frame, make your own tri-fold wallet, make a baby changing bag with matching changing mat, sew your own bicycle panniers, and sew a vanity case for your beauty essentials. The bags all have style and substance and are designed with real-life practical uses in mind.

Within each project Lisa gives her hints and tips for success, along with advice on how you can customize the patterns to create your own version of the design. The book is presented in a spiral bound format, making it lay flat so you can follow the instructions with ease while sewing.

"This information-rich book will elevate your sewing know-how with versatile techniques and inspiring suggestions for making these bags your own." --Amy Butler
