Imagine having the power to know what people were thinking before they ever even open their mouth. How would your life change if you had the ability to automatically know if somebody was lying to you, without thinking twice? "Body Language 101" unlocks that power, teaching you the science behind body language reading. You will learn how to analyze, how a person feels about you, gauge their comfort level, and judge their honesty with startling accuracy and simplicity. Once you've mastered this simple method, you will be applying it during every single conversation that you will have for the rest of your life!

By reading this book, you will:

- Learn to read people's body language with no previous experience or knowledge required!
- Apply widely accepted scientific research to unlock the same methods used by the military, job interviewers, and the FBI!
- Never be left wondering if you're being lied to again!
