First three forensic novels in the USA Today bestselling mystery series.

This special omnibus edition includes Books 1 - 3 of the CSI Reilly Steel police procedural series - **50% off RRP and over 1200 pages of heart-stopping mystery, thrills and suspense.**

TABOO

Forensic investigator Reilly Steel, Quantico-trained and California-born and bred, imagined Dublin to be a far cry from bustling San Francisco, a sleepy backwater where she can lay past ghosts to rest and start anew. She's arrived in Ireland to drag the Garda forensics team into the 21st-century plus keep tabs on her Irish-born father who's increasingly seeking solace in the bottle after a past tragedy. But a brutal serial killer soon puts paid to that. A young man and woman are found dead in a hotel room, the gunshot wounds on their naked bodies suggesting a suicide pact. But as Reilly and the team dig deeper, and more bodies are discovered, they soon realise that a twisted murderer is at work, one who seeks to upset society's norms in the most sickening way imaginable...

INFERNO

Read the clues. Decode the science. Reveal the murderer. That's Reilly Steel's mantra. Find the answers, solve the crime. But the Quantico-trained forensic investigator is finding her skills aren't enough when a ferociously intelligent killer strikes Dublin. The modus operandi is as perplexing as it is macabre. What connects two seemingly disparate, high-profile victims? Their corpses refuse to give up their secrets and the crime scenes prove a forensic investigator's worst nightmare. Reilly soon suspects that she may be dealing with a killer - or killers - who know all about crime scene investigation.

It's only when a third murder occurs - equally graphic and elaborate in its execution - that they discover that this particular killer is using a very specific blueprint for his crimes. Who is the killer's next victim, the real target? And what's his endgame?

HIDDEN

A Fallen Angel. A Devil on the Loose. When a young girl is discovered dead on an isolated Irish country road, it seems at first glance to be a simple hit and run. Then the cops see the tattoo on her back - a pair of beautifully wrought angel wings that lend the victim a sense of ethereal innocence. Forensic investigator Reilly Steel is soon on the scene and her highly tuned sixth sense tells her there is more to this case than a

straightforward murder.

But with almost zero evidence and no way to trace the girl's origin, Reilly and the police are at a loss. Then the angel tattoo is traced to other children - both dead and alive - who are similarly marked, and Reilly starts to suspect they have all been abducted by the same person. But why? And will Reilly get to the bottom of the mystery and uncover what links these children together before tragedy strikes again?

Very special... an outstanding forensic thriller' --The Bookseller
