Kendal Harris is a young, beautiful, and ambitious nursing student at Tampa Southern University. When she learns her high school sweet heart is cheating on her with a class mate, her lustful eyes begin focusing on a fine and cocky track runner named Darrell. Kendal instantly becomes head over heels with Darrell and starts making plans to seduce him in order to make him hers. However her plans come to a halt when Mike, her former boyfriend, tries to re-enter her life and makes it clear that if he can't have Kendal then no one can. His excessive harassment and taunting causes emotions to rise and tempers to flare as Mike physically and emotionally attacks Kendal and hurts her in places no one had before.

Stress forces Kendal to begin believing and trusting in Darrell too quickly and eventually pushes her into his bed. Lines are crossed, feelings are involved, and expectations run high as Kendall learns no amount of trust can pay for the one she loves the most. This wild and emotional roller coaster ride ends with the ultimate betrayal by the man Kendal thought she would build a future with.
