About "How to Speed Read"

This book will vastly increase the speed at which you read. Within an hour you will be able to at least double, probably triple your reading rate.

This is the second edition of what was a shorter eBook, now containing more ideas on how to read faster and new advice on using multi-step strategies for greater comprehension and retention. This edition offers an altogether more complete presentation of what it means to be an effective reader.

To make sure you get the most value for money possible, I've also included the FREE eBook: "How to Study ". It contains my best advice on time management, goal setting, and how to get the best grades with the least effort. It's advice that also transfers brilliantly well to professionals, the self-employed, and anyone who manages their own projects and/or daily work cycle.
