Gina is a Ghast from the Nether Realm who becomes an exchange student at Herobrine's Monster Academy. She writes everything in her diary and wants nothing more than to just fit in at the school.

But can a bulky Ghast from the Nether Realm really be able to stay out of trouble? Gina also has another problem: she can't control the fireballs she makes at all. Will Gina be able to get by the school year without exploding everything into pieces? Or will she literally "blow" it?

The perfect gift for any Minecraft lover.
