Presents a truly global history

This global world history text emphasizes the major stages in societies' different interactions and assesses the development of major societies. Encompassing social, cultural, political and economic history, the authors examine key civilizations in world history. *World Civilizations* balances the discussion of independent developments in the world's major civilizations with comparative analysis of the results of global contact.

MyHistoryLab is an integral part of the Stearns/Adas/Schwartz/Gilbert program. An integrated etext and and engaging resources bring history to life for students.
