The Cocksucking Chronicles (or, Don't Forget To Breathe!)... an all girls' book club changes the subject, from the last novel they read to the first cock they sucked. With some surprising confessions!

An Evening's Tale... a tale of bawdiness from the reign of Good Queen Bess. History refers to her as the Virgin Queen. But history only talks about one of her holes. She had another that was always full!

Three Nuns and a Motorcycle... two young lovers, three passing sisters, and an act of penance that the Archbishop would certainly not approve of.

Three Guys Walk Into a Bar... and one walks out with the girl of his dreams. A weekend in the mountains has never sounded so delicious.

Revenge... there's a certain type of frat boy who will never take no for an answer. But does he always get what he expected? Butch gets a blowjob he'll remember forever.

Welcome To Spain... a few days in the sun with an old friend, a video camera and a favorite record to soundtrack all the action.
