When time is running out, reach for the one book that concentrates your board preparation into a single power-packed review

If it's in here, you'll see it on the board exam!

- The most concise, yet comprehensive, Internal Medicine board exam prep available anywhere
- Logically organized by organ/system
- Focuses on “must know” facts that will appear on the exams and presents them in a quick summary format with numerous tables, lists, and concise narrative
- Covers every area tested on the primary Internal Medicine board exam
- Perfect as a recertification refresher and clinical reference
- An absolute must for those last weeks before the exam when a high-yield summary of key facts and pearls can make the difference between pass or fail
- Synopsis format maximizes content retention

The super-effective quick-summary format allows you to:

- Devote your study time to what you really need to know
- Learn and remember more, in less time
- Evaluate your areas of strengths and weaknesses
