**Manual de Lenguaje Corporal (Spanish Edition)** Luis Ernesto Baltar

Manual de Lenguaje Corporal es el resultado de cuatro años de observación del autor, en la venta de propiedad vacacional semanal, con la intención de brindarnos una referencia visual rápida a las situaciones de comunicación que se presentan cada día con la familia, centros educacionales o laborales, situaciones de ventas, o simplemente viendo la televisión... Interpretar el lenguaje corporal tiene sus ventajas porque nos indica qué está pasando más allá de las palabras cuando nos encontramos ante una persona o un público. Es como un faro que nos orienta en una tormenta de palabras. Es como una luz en una oscuridad de silencio. Porque podemos mentir, podemos callar pero siempre estaremos hablando con el cuerpo y los gestos.
