The Log of a Cowboy

Andy Adams

The Log of a Cowboy Andy Adams

This book tells the story of a cattle drive from the Rio Grande to Montana in 1882. It was written in 1903 by a former cowboy who gives us a clear and candid picture of the hardships of the cattle drive. The book provides insights into the strengths and weaknesses, the good points and bad points of the men we call Cowboys. In addition to telling the story of the hardships of the trail, the book gives us samples of the tales told around the campfire at the end of the long day. Recommended reading for anyone with an interest in the Old West; required reading for anyone who wants to write Westerns.
