The Mayor of MacDougal Street: A Memoir Dave Van Ronk, Elijah Wald

Dave Van Ronk (1936-2002) was one of the founding figures of the 1960s folk revival, but he was far more than that. A pioneer of modern acoustic blues, a fine songwriter and arranger, a powerful singer, and one of the most influential guitarists of the '60s, he was also a marvelous storyteller, a peerless musical historian, and one of the most quotable figures on the Village scene. *The Mayor of MacDougal Street* is a first-hand account by a major player in the social and musical history of the '50s and '60s. It features encounters with young stars-to-be like Bob Dylan, Tom Paxton, Phil Ochs, and Joni Mitchell, as well as older luminaries like Reverend Gary Davis, Mississippi John Hurt, and Odetta. Colorful, hilarious, and engaging, *The Mayor of MacDougal Street* is a feast for anyone interested in the music, politics, and spirit of a revolutionary period in American culture
